

Greater clarification of tourist promotions needed from government

There is a need for greater clarification on the part of the Ontario Government regarding forward tourist promotions. This was the consensus of opinion among upwards of 50 Regional Chamber of Commerce representatives meeting in Lindsay on Wednesday, October 16th.

Ontario Chamber of Commerce's manager of membership, Mr. Godin said one of the other things which emerged clearly as a result of the seminar was the need for Chambers of Commerce and local governments to work more closely together. "We have good relations now but they have to get a lot better," he declared.

The seminar was sponsored by the Ontario Chamber of Commerce and as Mr. Godin explained it, the idea was to try and promote an interchange of promotional ideas between chambers. What the Ontario C of C tries to do is determine

what, from the C of C viewpoint, is ailing communities which can be remedied by action at the provincial government level.

Five topics were covered. They were as follows: Fees-how to get them and what they should be; Getting financial support from the municipalities; Is the Chamber in the consumer complaint business? Tourist promotion, costs and concepts; and duties of officers and directors.

Chambers were represented from Ajax, Aurora, Bobcaygeon, Bowmanville, Barry's Bay, Bancroft, Bracebridge, Bradford, Campbellford, Cobourg, Fenelon Falls, Haliburton, Hastings, Gravenhurst, Lindsay, Lakefield, Madoc, Markham, Millbrook, Newcastle, Orono, Oshawa, Peterborough, Port Hope, Port Perry, Richmond Hill, Whitby, Whitney and Huntsville.

Man spends first night up tree, next in a cave

A night up a tree and a night in a cave ... That's the way things worked out for 22-year old Peter Mitchell, of 77 Letchworth Ave., Toronto, when he became lost in the bush surrounding Haliburton Lake on the weekend.

Mitchell was reported missing around 6:30 p.m. Sunday and remained lost until he was spotted from a searching aircraft around 5:15 p.m. Tuesday. Scanning the area from the plane, Minden OPP Constable Bill Devereaux sighted smoke from Mitchell's fire and was able to direct ground searchers to the lost man who had taken refuge in a cave.

Mitchell is reported to have told searchers that shortly after he went for a walk in the bush Sunday, he fell, knocking himself unconscious and remained that way until after darkness fell. Unable to find his way back to the cottage at which he had been spending the Thanksgiving weekend, he climbed a tree and spent the night there shivering in the cold and wet autumn wilderness.

With the coming of dawn, he climbed down from his perch and made a further

but futile attempt to find his way out of the bush and back to safety. Walking in circles, he eventually wound up directly across from the lake from where he had been staying and in the process of his wanderings, had come upon a cave.

Realizing the hopelessness of trying to find his way out, he managed to get a good fire going and settled down for the night hoping searchers would spot either his fire or the smoke from it. They did - but not that night nor until near the end of the following day.

The investigating Minden OPP detachment says the missing man was apparently little the worse for his experience but was, of course, hungry and suffering from his exposure to the elements.

The ground search Monday was hampered by heavy rain and this ruled the use of aircraft. With clearing skies Tuesday, the search was renewed with a tracking dog and an aircraft being brought into play. Police were joined by civilians in the search.

Haliburton lake is located north-east of the village of Haliburton.

Bill missing serial numbers!

Don Lloyd of Jack Ricard Real Estate in Haliburton was in the Echo office this week showing us a \$1.00 bill that was really different. The reason it stood out from the average bill was the fact that the two serial numbers which are usually along the top in red were missing. There were no serial numbers on the bill.

Mr. Lloyd told us that he noticed something was missing on the bill when he was leafing through some money he had in his possession.

This is one for believe it or not and it should be a real collectors item that should be worth quite a large sum of money.

Land development almost nil in county

Land development in Haliburton County at the present time is almost nil according to Roy Boughner, Real Estate Salesman for Gary F. Vasey Ltd., Real Estate Broker who gave his classification talk to the members of the Haliburton Rotary Club last Thursday evening.

Mr. Boughner stated that not many sub-divisions are being passed and it all adds up to not a very promising future. The speaker went on

to say that Queen's Park are trying to tell us that we are going to be a green belt and if so we are in trouble with no secondary industry to fall back on.

He went on to say that he is very concerned with the future of Haliburton County when the government is trying to discourage development when they should be trying to encourage it.

Mr. Boughner stated in his address that the average Lakeshore lot is at present selling for \$10,000.

Accident causes \$2,000 damage on Friday night

On Friday, October 18, at 9:35 p.m. an accident occurred on County Road # 2, 1.4 miles east of Jct. of Highway 121 when a vehicle driven by Robert C. Heppleston of R.R. 1, Minden was eastbound in the eastbound lane of county road # 2.

The driver alleges to have hit a bump on the roadway and the vehicle travelled on the south shoulder striking a tree. Damage was estimated at \$2,000.00.

The driver Robert C. Heppleston received cuts, while Stephen H. Ryder, a passenger in the vehicle, also received minor cuts.

Provincial Constable W.F. Devereaux of the Minden

Detachment of the Ontario Provincial Police investigated the accident. No charges were laid.

During the period of October 13 to 20, 1974, Members of Minden Detachment of the Ontario Provincial Police investigated 12 motor vehicle collisions.

Persons involved received minor injuries.

There was approximately \$3,000.00 damage sustained to vehicles involved.

NOTE: The above damage estimate does not include the motor vehicle damage received in the Heppleston collision which appears elsewhere in this paper.

Apple Day successful

For another year Apple Day in Haliburton was a great success even though it was under cloudy weather.

Fifteen scouts, under the leadership of Ed Whiteway, took to polishing and selling apples on Friday night. On Saturday, under the careful guidance of Walter Webb, Terry Barnum and Bill Rinne, 20 Cubs and 10 Scouts canvassed the Haliburton area. Special thanks goes to Ron Curry, Jack Robertson, Merv Robertson, Ted Granger, Howard Roberts and Dennis Baker for providing a car and chauffeuring the boys to different areas around the community. Thanks also goes to Don and Donna Lloyd who collected and rolled the money. However the biggest thanks goes to the People of Haliburton and the surrounding areas who supported such a worthwhile cause.

At this time the group committee would also like to thank Les Roberts for driving some Scouts to meet the Festacolor train at Kinmount. We would also like to thank Walter Webb for assisting the Scouts in

selling Centennial buttons to the people on the train.

Hallowe'en show planned

Next Thursday night, October 31, is Hallowe'en and all children are reminded to get their costumes ready for the Haliburton Rotary Club's big Hallowe'en Show at Molou Theatre in Haliburton. The doors will open at 6:30 p.m. and the judging will begin at 7:00 p.m.

Prizes will be given for the most original costumes on the Theatre stage and it promises to be a real good night of fun.

An outstanding movie for children has been booked for this occasion and it promises to be a good one.

There will be no charge for admission for this special Hallowe'en Show.

So come on out kids and bring your friends for an outstanding evening of fun and entertainment.

haliburton Highlights

Giles Connelly of Haliburton with ticket No 283 was the lucky winner of \$75.00 at the monthly draw held at the Legion Hall in Haliburton on Thursday, October 3. The November draw will be held at the regular meeting of the Legion to be held on the first Thursday in November.

The Rotary Club of Haliburton were first again in attendance for the month of September for District 701.

We just received word that the special movie for the Rotary Club of Haliburton's Big Hallowe'en Show at the Molou Theatre at Haliburton on Thursday, October 31 will be The Brothers Grimm with Terry Thomas and Buddy Hackett.

Last Years Haliburton Travelways Huskies are sporting new hockey jackets. They are of white leather and look really sharp.

Plan now to attend the Dinner and Dance on Saturday, November 2 at the Haliburton Legion Hall with music by Tom Ford and his band. 7 p.m. until 1 a.m. Roast beef dinner will be served at 7:00 sharp. All proceeds in aid of Sheltered Workshop.

First team in ten years

Minden intermediates open season on Friday

Minden's first Intermediate C hockey team in the last ten years debuts this Friday night at 8:30 p.m. in the Minden Arena.

The Monarchs, as the team will be known, open their 30-game schedule against Penetang, one of the physically tougher teams in the league, which also includes Schomberg, Bradford, Elmvale, Fenelon Falls and Bracebridge.

Local sports enthusiast, Jerry Pillsworth, teams up with Minden Minor Hockey Past President, Richard Parisotto to fill the positions of President and Sect'y-Treasurer respectively. They will receive able assistance from Directors Fred Cooper and Floyd Miller and the Monarchs four player representatives, Neil Burk, Mike Jackson, Sherdan Kellett and Royce Miller.

This marks the return to Minden of the type of hockey which brought us many championships in the 1940's and '50's and indeed, some of the faces are familiar. Players such as Neil Burk, and Jackie Raymond have previously worn the Monarch colours while Fred Cooper and Equipment Manager Don Gartshore were formerly active in the management section.

Also returning are former Haliburton Huskies Intermediate players Scotty Larue and Jim Scheffee and former Jr. D. players John Parish, Danny Carpenter, Craig Morrison, Rick Dunsford, Jeff Campbell, Bryan Walters, Bob Woodcock, Larry Sawyer, Dave Dolls, and Mike Jackson.

Local hockey players Bill Watson, Bev Billings, Leigh Bull, Sherdan Kellett, Mike McElwain, Bill Little and Jeff Austin should add balance to the team.

The Monarchs hope to acquire the services of former Jr. D. goalies Louis Dummitt and Larry Hartin and Bob Dudman of the Minden Juveniles, to provide the needed depth in a strong goaltending troika. Any more players interested in joining should contact Mike Jackson.

Still to be announced is the appointment of a full-time coach. The Monarchs have been in touch with former hockey player and coach George Nicholls of West Guilford, but nothing has been finalized yet. In the interim the coaching chores will be handled by players Jackie Raymond and Scotty Larue. Laurie Swann will be the team statistician while Dwight Thomas manager of the now defunct Minden Juveniles, will take over as General Manager of the Monarchs.

It is the sincere hope of all involved hope of all involved to provide good entertainment and plenty of action for the fans. We look forward to the enthusiastic support of fans from all parts of the County as this is an integral part of a successful hockey team.

Founding sponsors of this club are Jerry Pillsworth, Richard Parisotto, Floyd Miller, Don Finn and the Minden Recreation Committee.

More sponsors are still required and anyone inter-

ested should contact Richard Parisotto.

Hockey enthusiasts are urged to keep Friday nights open as this will be the Monarchs home night, with the exception of one Thursday night date. Our club travels to Bracebridge, Sunday Oct. 27 for a 7:30 p.m. game and then plays in

Penetang, Wednesday, Oct. 30 at 8:30 p.m. with Bracebridge travelling to Minden, Friday, November 1st.

So once again, we hope to have a capacity crowd at the Minden Arena on Friday night to partake of one of the world's greatest action sports.

Wunker-Fulmer married in Little Stone Church

The Little Stone Church at Miners Bay was the scene of a very pretty wedding on Saturday September 21 at 4 p.m., when Barbara Ann Wunker, daughter of Mr and Mrs William S. Wunker of Miners Bay was united in marriage with Mr Michael Ernest Fulmer of Barrie, son of Mr and Mrs Howard Fulmer of Stayner, Ont.

The church windows were decorated with fall arrangements of champagne daisies, yellow and bronze mums with a background of oak leaves.

Given in marriage by her father, the bride wore a gown of white polyester satin with full sleeves and long fitted cuffs, the V neckline, bodice and front panels were trimmed with lace. White velvet leaves, baby breath and a single open rose adorned her head dress which held her waist length veil. Her only jewellery was a very dainty necklace which had belonged to her maternal grandmother. She carried an arm bouquet of golden yellow roses and baby's breath with gold velvet streamers.

The maid of honor was Kathryn Wunker, sister of the bride. The bridesmaids were Nancy Jacobi of Toronto and Heather Bloom of Barrie. All three wore identical dresses of gold polyester crepe of similar design to the brides, and carried old fashioned bouquets of champagne daisies and gold mums, with a background of fall foliage, and had dark brown velvet streamers.

The best man was Mr. Michael Dunphy of Anten Mills, Ont. and the ushers

were Mr. Thomas Fulmer, brother of the groom, of Elmvale, Ont. and Mr Sidney Blondheim of Phepston Ont.

The double ring ceremony was conducted by Rev. C. Roy Vanderlip of Norland, Ont. The soloist was Mr. Robert J. Wunker, uncle of the bride. The organist was Mr Donald Buchanan of Toronto, who spends his summers at Miners Bay.

Following the ceremony a reception was held at Miners Bay Lodge, where the brides mother received, wearing a long gown of blue floral sheer over taffeta. Her corsage was a single japhet orchid. Mr. Michael Dunphy was master of ceremonies, and Mr. Ronald J. Wood of Miners Bay gave the toast to the bride.

For going away the bride wore a cranberry pant suit, with white blouse and black accessories and a white gardenia corsage.

The bride was a graduate of Haliburton Highlands Secondary School, and both bride and groom are graduates of Waterloo Lutheran University (now Wilfred Laurier University).

The groom is Principal of King Edwards School in Barrie and the bride is employed by the Simcoe County Board of Education. They will spend their honeymoon in Florida during the Christmas vacation.

The happy couple are now residing at Imperial Towers in Barrie.

Out of town guests were from Toronto, Hamilton, Oakville, Elmvale, Sudbury, Walkerton, Barrie, Woodstock, New Brunswick, Cincinnati, Ohio, and Versailles, Indiana.

Burke-Grexton wed in Ingoldsby United Church

Leitha Jean Burke married John Edward Grexton on June 22.

Leitha is the daughter of Margaret Burke and the late Harry Burke of R.R. #1 Minden, Ontario.

John (Jack) is the son of Mr and Mrs Edward Grexton of 1345 Peoples Road, Sault Ste. Marie, Ontario.

The ceremony was performed by Rev. Don Nicholson in the Ingoldsby United Church and the organist was Mrs Ruth Paul, a special friend of Gravenhurst.

The bride was given in marriage by a dear family friend, Mr Andy Paul of Gravenhurst. She wore a gown of silk organza over polyester satin, empire waist with an A-line skirt and stand-up collar. The full length organza sleeves were gathered to long cuffs. The bodice, skirt, collar and cuffs were trimmed with lace. The long full Peacock train attached at the shoulders and her tulle double veil held in place with three organza flowered head piece were edged in lace matching her gown. The veil, train and gown were styled and made by the bride. She carried a bouquet of red sweetheart roses surrounded by fern and white net with long streamers of white satin ribbons entwined with red rose buds.

The attendants' floor length gowns were of polyester satin with an overlay of nylon flocked sheer falling from the empire waist. The long full sleeves, stand up collar and inset were made of the same material as the overlay. In their hair they wore rose buds to match the colour of the dresses. The matron-of-honour, Mrs Elinor Burke, sister-in-law of the bride, of Minden, wore a gown of blue. The bridesmaids were - Mrs Linda Schrader, sister of the bride, of Petawawa, wore a gown of pink; Miss Shirley Bowen, friend of the

bride, of Wilberforce, wore a gown of blue; Mrs Bonnie Burke, sister-in-law of the bride and sister of the groom, of Timmins, wore a gown of pink; and junior bridesmaid, Miss Shelley Hicks, friend of the bride, wore a gown of blue. They carried bouquets of pink and yellow carnations circled with white net with long satin streamers.

The best man was Jim Burke, brother of the bride, of Minden and the ushers were Ross Harrison, Fred Taylor, friends of the groom, of Sault Ste. Marie, Bob Burke, brother of the bride and brother-in-law of the groom, of Timmins and Duane Grexton, brother of the groom, of Sault Ste. Marie.

A supper was served at the Minden Community Centre for the immediate family of the bride and groom and the wedding party. It was prepared and served by Mrs Marvis Burk, Lola and Charles Hicks.

For the reception at 9:00 p.m. held also at the Community Centre, the bride's Mother received wearing a long gown of blue polyester crepe, full sheer sleeves, high collar with accessories of white and a corsage of pink rose buds. The bridegroom's Mother was in a long gown of turquoise polyester crepe with matching jacket and white accessories and a corsage of white rose buds.

To leave on a honeymoon, the bride wore a pink polyester dress with matching coat and a corsage of one pink rose.

Jack and Leitha spent their honeymoon in Niagara Falls, Kingston, Ottawa, Petawawa and Sault Ste. Marie.

Out-of-town guests were from Sault Ste. Marie, Galt, Whitby, Milton, Gravenhurst, Timmins, Petawawa, Oshawa, Peterborough, Willow Beach, Brooklin and Lindsay.

The newlyweds will reside at their new home near Ingoldsby.

Victoria Street School celebrates anniversary

Victoria Street School was the scene of much activity on Friday evening when the school celebrated its 50th birthday by holding Open House. Many friends, former pupils and teachers and present pupils and teachers enjoyed an evening of renewing old acquaintances and making new friends. The display of old school photographs was greatly enjoyed. We wish to thank all those interested persons who loaned us pictures for this display. Mr. Ronald Curry was host for the evening at this display and was able to add interesting information for all those persons wanting to discuss the pictures further.

The Art Exhibit of the Haliburton Guild of Fine Arts displaying work of the children of our schools was assembled for us by Mrs. Carole Finn and Miss Muriel Allport. We are grateful to them for their time spent on our behalf.

Tea was served by two of our lady trustees - Mrs. Goldie Watson and Mrs. Dorothy Way. Mrs. Greta Kellett and Mrs. Gwyneth Hughes of the staff also served. Readers will be interested in knowing that Mrs. Kellett poured tea 50 years ago when the school opened and we were honoured to have her help us

50 years later. The ladies of our staff acted as hostesses and served cookies.

Mr. Ray Johnson, our new male staff member and music teacher presented an hour of taped music by our pupils. This tape accompanied a slide presentation of our school activities since it became a primary school in 1972.

A special thank you to our Board office staff and Roy and Marilyn Boughner for the gifts which made our front hall a welcome place for friends to meet and to Agnes and Monty Pearsell for the anniversary cake.

The success of the evening depended on the support of the parents and friends of our community. We would like to thank all those who attended and really made our birthday a happy one.

Wins \$1,000

Mrs Keith Robertson of Haliburton really hit it lucky when she received word recently that her ticket had been drawn in the Irish Sweepstakes.

Mrs. Robertson, an employee at the Donald J. Finn law office in Minden, informed the Echo that she had won \$1000.00.

Our congratulations to Julia for being a lucky winner.

COUNTY . . . where life is living - for everyone

News Letter

Well, we all have to admit that the leaves were not as colorful this year as in past seasons. We had some color but not enough to make it as nice as usual.

On Friday evening October 25 the Travelways Haliburton Huskies will open training camp at the Haliburton Arena. Players who are interested in trying out for the team should contact Gerald Hicks, 286-2029 or Brian Black, 457-2835. So why not get out and try out with a winning team.

A large crowd turned out at the Haliburton Highlands Secondary School on Sunday, October 13 to see the motion picture **For Pete's Sake** which was sponsored by the Salvation Army. This thought provoking movie showed how one man matches his faith against the turbulent world of leather and daredevil races, discovering "the greatest adventure going!"

If the sale of lumber doesn't start to move in the near future its effects are really going to show on the economy here in Haliburton County. Local mills, truckers and jobbers will all be seriously affected and this will start to tell on business in general.

The musical group The Stampeders drew literally hundreds to a dance at the Minden Community Centre on the Sunday of the Thanksgiving weekend. We understand that the attendance was around the 1400 mark. What a crowd!

Real Estate sales in the County are hitting a low ebb and in talking with some of the Real Estate Brokers they think that the high interest rates that are prevailing at the present time are causing this condition.

The winter season will soon be with us and many of the people from Haliburton County who spend the winter in Florida are starting to prepare for their annual winter vacation.

Marks Coffee Shop on Haliburton's main street is closed for alterations and will be re-opening soon with many changes to the interior of the building.

The excruciating pain of gout can finally be controlled through medical research. Perhaps only a person who has actually experienced it can fully appreciate the great medical victory over gout achieved in the past decades. New drugs are now available which not only control attacks of gout, but can prevent them, says The Canadian Arthritis Society.

Plans are now getting underway for the annual winter carnivals at both Haliburton and Minden. We are not that far away from the big events. And let us not forget that we are just two months away from Christmas.

In closing this week don't forget the big halloween show at the Molou Theatre in Haliburton on Thursday evening, October 31. It's free so why not bring along the entire family.

We were talking to a gentleman in Haliburton this week and he was wondering where he could go to get a Senior Citizens Identification Card. He checked around at several sources in Haliburton but to no avail. If anyone can tell us where one could apply for one of these cards please get in touch with the Haliburton County Echo at 457-1037.

Along the trails

By Roy Bates

The Haliburton County Snowmobile Association's first dance of the current season, held October 19 at the Legion Hall in Haliburton, was a great success. Just the right number of people turned up to fill the hall to capacity without having to turn anyone away. The crowd was in a jovial mood with everyone thoroughly enjoying themselves. As with all HCSA dances, there were no altercations. It seems snowmobilers are a friendly bunch!

Several patrons were the lucky winners of prizes donated by well-wishing businesses of the area. A season pass to the groomed trails of Haliburton Forest and Wildlife Reserve Limited, ten gallons of gas at Vance's Shell Service, two free dinners at Bayview Birches, and two more at Highland Junction, a snowmobile helmet from Prentice Roads Limited, and spot dance prizes from Lakeshore Marine and Prentice Roads. The HCSA acknowledges with thanks these contributions.

While at time of writing the receipts are not all tallied up, it looks as if the trail improvement fund gained a few dollars! Our sincere thanks to all.

The next important event for snowmobilers is the HCSA general meeting, this Friday, October 25, at the same Legion Hall. It is important to the HCSA that there be a good turnout with all sectors of the County represented. It is important to snowmobilers, for this is your opportunity to voice your opinions and to see that your representatives get elected. This is the time to unload your gripes. It is also the time for constructive suggestion. And (need I remind you again?) time to renew your membership. Meeting time is 8 o'clock in the evening.

For those who are unable to attend the meeting, or to contact one of the current directors, membership fees may be submitted by mail to Box 151 Haliburton. This year Five Dollars.

There are plenty of 50/50 draw tickets still available, and will be until the close of Friday's meeting. Proceeds from this draw also goes to trail improvement.

MNR TO DEVELOP TRAILS

A recent letter from the Honourable Leo Bernier indicates that a comprehensive Ontario Trails Programme may soon be established from a proposal developed by the Division of Parks of the Ministry of Natural Resources. The proposal, based on the recommendations of the Select Committee in its interim report of May 1973, has been studied by several special committees and will be sent to the Ontario Cabinet shortly.

While Mr. Bernier is confident that the proposal will result in many more miles of snowmobile trail opportunities for the snowmobilers of Ontario, there is nothing in his letter to indicate any kind of assistance to snowmobile clubs.

Industrial abatement

Manager appointed for Central Region

Thomas D. Armstrong has been appointed manager of Environment Ontario's Central Region Industrial Abatement Section, regional director Paul G. Cockburn announced today.

Formerly Northeastern Region assistant director and manager of the Industrial Abatement Section, Mr. Armstrong will be responsible for protection of the natural environment from emissions from industrial processes; commercial, institutional and agricultural operations; construction and demolition activities; and from other pollution sources in the region.

He began his career with

the Ministry in 1963 as assistant project engineer in the Plant Operations Division of the former Ontario Water Resources Commission and, in 1965, was appointed district engineer in the Industrial Wastes Branch.

Born in Paisley, Ontario, Mr. Armstrong is a graduate of the University of Western Ontario and holds a Master's degree in engineering from the University of Waterloo. He lives with his wife and daughter in Willowdale.

Mr. Armstrong can be contacted at the Central Ontario Region office, 150 Ferrand Drive, Don Mills (424-3000).

In my view, the Government is still missing the boat. We will, of course, welcome any effort for the establishment and maintenance of trails but, in my opinion, an Ontario Trails Programme should include some funding for trail development in the many areas where the Ministry of Natural Resources now has no jurisdiction.

HCSA TO DEVELOP TRAILS

With a greatly expanding grooming programme now planned for the coming snow season, it is imperative that many more miles of Haliburton County trails be underbrushed and widened, particularly the overland routes which are accessible for grooming in early winter. The first organized trail blitz of this season is scheduled for Sunday, October 27, with convenors ready to take out work parties in widely separated areas. All snowmobilers able to devote a few hours to this project are requested to contact one of the following people. Steve Langeraap, Harcourt, 448-2637, Bob Jennings, Halls Lake, 489-2020, Joe Blair, Haliburton, 457-2539, or Roy Bates, Donald, 457-1658.

It is expected that convenors may be added for other sectors after the general meeting Friday night. Snowmobilers wishing to help should call one of the above for additional information. Remember, a few hours along the trails now will result in many hours of enjoyment later. Just a half-mile of trail cleared by each County snowmobiler would mean 500 miles ready for the groomer.

THE JUDICIAL SYSTEM IN HALIBURTON

Under the authority of the Haliburton Act, Chapter 198 of the Revised Statutes of Ontario 1970, Section 4 states that the Provisional County of Haliburton is united to and forms part of the County of Victoria for all judicial purposes.

There are several different and distinct courts comprising the judicial system in the Counties of Victoria and Haliburton, and are listed as follows:

1. General Sessions of the Peace - hears Criminal cases WITH a jury.
2. County Court Judges Criminal Court - hears Criminal cases WITHOUT a jury.
3. County Court Judges Civil Court - hears civil actions where the monetary claim is of a value between \$400.00 and \$7500.00.
4. Surrogate Court - pertains to estates of deceased persons.
5. Small Claims Court - hears civil actions up to \$400.00. All the above courts are presided at by His Honour Judge H.E. Richardson, Q.C.
6. Provincial Judges Court: (a) Family Division - deals with all matters pertaining to juveniles (b) Criminal Division - deals with offences against both Federal and Provincial statutes.

The afore-mentioned courts are presided at by His Honour Judge G.F.W. Inrig.

7. Justice of the Peace Court - which hears cases pertaining to offences against Provincial Statutes and Municipal By-laws, is a further court incorporated into the Provincial Court System. This court is presided at by His Worship S.D. Elliott, J.P.

The Provincial Judges Criminal Court, the Small Claims Court, and the Justice of the Peace Court are generally the most active courts, and consequently are the only courts held in the Provisional County of Haliburton. The remainder of the Courts are all held in the Town of Lindsay.

COUNTY . . . where life is living - for everyone

Editorials

Cottage break-ins can be prevented

During the winter months it seems to be the season for people to break into cottages when no one is living there. Many people who own cottages on our various lakes here in the County closed up shop over the Thanksgiving weekend and many of them will be coming back just on certain occasions while others who have their cottage winterized will be heading this way practically every weekend during the winter months. Most of these people like to snowmobile and with a winterized cottage they are all set.

It's unfortunate that these cottage owners can't leave their cottage and come back with nothing unharmed, but in most instances this is not the case. It would be a nice feeling to think that you could leave your cottage and find it in the same condition that you left it.

In the past we have known cases where cottages have been entered and left in a terrible condition. Not only has furniture been damaged, but other valuable articles have been stolen.

If you are closing up your cottage make sure that you have proper locks on your doors and take an inventory of what you have in the cottage and also make sure that you write down the serial numbers of TV sets or other appliances. If they are stolen this will give the police something to work on with their investigation.

Some people are of the opinion that everything will be okay because they will be back every weekend. This is not the case as many break-ins take place during the week when the thieves know that no one is around the area.

We welcome the cottagers back in the winter months, but we hate to see them have to come back to a cottage that has been broken into.

Let us hope and pray that the person or persons who are making a practice of entering these cottages will be caught and given a jail sentence.

Hallowe'en vandalism should be stopped

Next Thursday, October 31 is Hallowe'en night. This is the night that young and old get out on the town to trick or treat.

This annual event is meant to be more for the children than anyone else, but this occasion at times affords some of the teenagers or adults the opportunity to get out and see how much damage they can do in one evening.

The kind of vandalism that we have been confronted with here in Haliburton County in the past is something that we can do without. Just because its Halloween night doesn't mean that some of these hooligans should be allowed to go out and smash up other people's property.

The fact has come up on several occasions that if this vandalism in Haliburton County and in fact all over Ontario, is continued that the powers to be would do away with Halloween and call it game over. Why should the children be deprived of this night because of a few who enjoy going out and using this occasion to cause trouble and wreck public property.

Hallowe'en night is for the children and let us keep it this way.

All children are reminded to get their costumes ready for the Haliburton Rotary Clubs big Hallowe'en Show at the Molou Theatre in Haliburton on Thursday evening October 31. The doors will open at 6:30 p.m. and the judging will begin at 7:00 p.m.

Haliburton Highlands

By Edward Miller

I have lived in the city of Toronto
And I have roamed through Montreal
And went to the islands of Expo
And there we had a ball.
With its aerial rides and gogo trains
And so many sights to see
But those Haliburton Highlands
Is where I long to be.

Some like to go to Florida
And roam through Disney land
Others like the everglades
Where nature sure is grand
Some like New York City
With its statue of Liberty
But these Haliburton Highlands
Is where I long to be

Some boys joined the army
And through Europe they did roam
Some came up through Italy
And seen the sights of Rome
And some are now on Cyprus
In the Mediterranean Sea
But these Haliburton Highlands
Is where they longed to be

I have seen the Vermont Mountains
And New York Lake Champlain
And spent a day on the sand bars
Along the coast of Maine
We went for a swim in the ocean
It was cold as ice to me
But these Haliburton Highlands
Is where I longed to be

We travelled north through Ontario
For we were western bound
To the boat hills of Alberta
And coronation town
We saw the wheat fields in Saskatchewan
As far as you could see
But these Haliburton Highlands
Is where I longed to be.

Letter to the editor

To the editor:

I refer to your item "Property Owners Report" in your issue of October 3 and while wishing them success in their endeavours, suggest their address be included for benefit of supporters.

I suggest there has occurred more than an "orderly draw-down" of water levels since the Authorities gave their commitment. Furthermore who can justify operation of locks that open for even a rowboat "as they come along". There should be set times for passage unless the number of craft present is equal the capacity of the lock. That constitutes no greater inconvenience than traffic lights or railway, airline or other schedules and leave some water for benefit of those most concerned.

Yours truly
G. C. Springer -

Pic of the Past

The above photo shows the large crowd gathered in the year 1919 at the Memorial Park on Haliburton's main street for the unveiling ceremonies of the memorial cenotaph. The Rev. J.M. White who was the minister at the Haliburton United Church at

that time is seen addressing the large gathering. Our thanks go out to Grant Rae of Haliburton for letting us use this photo. Grant has donated the picture to the Royal Canadian Legion Branch 129 Haliburton.

Stop and give thanks

BILL SMILEY

I'D PLANNED to write a column about Thanksgiving Day this year but the days went shooting by and suddenly it was past.

However, I was undaunted. As the preachers and writers tell us every Christmas, there is no reason that peace on earth and goodwill toward men should be confined to a single day. Nor is there any reason that we should give thanks only on the second Monday in October. So here goes.

Did you stop and give thanks on that day? Or did you just enjoy the long weekend, stuff yourself with turkey, and slump in front of the box to watch football? I hope you did better than that: at least went for a drive and gorged yourself on the fall panorama of colour, reason enough in itself for a deep and fervent thanks.

I started to think of all the things we Canadians have to be thankful for, and the list seemed to be endless.

First of all, we should be grateful to be living in Canada, no matter how we squawk at income tax time, and gripe about the weather.

Without getting misty-eyed or waving a flag about it, this is a grand country.

Our society is far from perfect, and there are injustices, and we are often badly served by our leaders, and, yes, the Americans own too much of us. But these things are more than offset when we start piling things on the other side of the scale.

What are some of the goodies? Well, first, there are the intangibles. There are very few places in this country where a person is afraid to walk alone, even at night. We have lots of air, some of it hot, some of it polluted, but most of it clear and clean. Nobody is literally starving in this country, though the old-age pensioners would give you an argument there. Nobody lives in fear of the boots in the hall, the pounding on the door, the secret police. Our only secret police are the mounties, and every time they try something secret, the papers find out, and spread it all over the front pages, chortling.

To continue the list, we have equality of speech. Even the Prime Minister can swear in a public place, such

as the House of Commons, and get away with it.

We have equality of welfare benefits. The old lady with \$600,000 salted away in bonds gets the same old-age pension as the old lady who has two herring salted away. What could be more equal than that?

We have equality before the law. What's that you say? There's one law for the rich and one for the poor? Nonsense. It's the same law. The only difference is in the amount you steal, and the lawyers you can afford. If you steal big, and can afford a battery of lawyers, you get a light sentence. If you steal small, and try to defend yourself, you get the works.

We have equality of opportunity. Ask any of our native people. Just ask a Metis or an Eskimo if he doesn't have the same opportunity as the white boy who has to fight his way through Upper Canada College, Trinity College, and Osgoode Hall law school. He'll tell you. Just be sure he doesn't have a beer bottle in his hand when you ask him.

And we have peace in our land. Oh, there's the odd

little fluster. Like the Mackenzie rebellion in Ontario and the Papineau rebellion in Quebec and the Riel rebellion in the west and some kook trying to put a half-nelson on the Russian head of state in Ottawa and a rabble of native people attacking the mounties in the same place. But these are just trouble-makers. Right?

There's no question about it. In this glorious nation of ours, everybody is equal. The only rub is that, as George Orwell put it, some are more equal than others.

Well, those are just a few of the things for which we should give thanks. Then there are all the more tangible things. We have more oil and gas than we need, but by George, we've made sure the price is right, and those energy-squandering Yanks can go cold and use candles.

We have two of the longest railroads in the world. How about that? Even though both of them despise would-be travellers by rail, we have two of the longest railroads in the world.

We have some of the finest wheat in the world

coming out our ears, even though we don't seem to be able to get it into the boxcars and onto the ships to feed the hungry of the Third World.

And how many nations in the world can brag that they have the second-best hockey team in the world? That's part of our national heritage and I think we should all give thanks for it.

There's only one rub in this glowing picture. Our inflation rate, believe it or not, isn't soaring quite as rapidly as some of the other countries in the west. But don't worry about it. Among them, our politicians, business leaders and union bosses will soon have that sorted out, and we'll be up there with the best of them.

Be honest now. Where would you rather live? In Europe, with all those people and pollution and culture and stuff? In the U.S., where the Great Exorcism is not taking place? In Australia, full of Australians?

Just sit back and give thanks that you are a Canadian, living in the best of all possible worlds.

Many fires could be prevented

It is hard to believe that the 1974 Fire Season is almost over. For some districts within the province it has been a season of sweat and tears; trials and tribulations. For many other

districts you may say it was a boring season. Yes, with above average amount of rainfall in the eastern portion of the province, we were not exposed to too many "hot flames". Never-

theless, there were many key suppression personnel that were transferred to the hot spots of the northwestern portion of the province for a 4 to 6 week stint. During this period they gained experience that they would possibly never have experienced in their home districts in a life-time.

The Lindsay district had a total of 15 grass and bush fires reported; burning a total of 115.2 acres.

Investigations revealed that 73.3 per cent of the fires were knowingly caused by humans; 26.7 per cent were unknown as to which group was responsible, but it does not mean that human error was ruled out.

We believe that 100 per cent of the fires in the Lindsay District could have been prevented. Yes, just think, 100 percent!

Let us Keep Ontario Greener in 1975.

Liberals hold meeting

On October 26, 1974, the Victoria Haliburton Liberal Association will be holding its Annual meeting, at St Mary's Auditorium in Lindsay.

The guest speaker will be the honourable M.P.P. for Huron, Jack Riddell. Mr. Riddell won the by-election in 1973 in Huron, overturning a Conservative stronghold held by the Conservatives for many years. He is a livestock specialist for Saskatchewan Department of Agriculture, assistant manager of Ontario stockyards High school teacher and trustee, Huron county board of education and owns and operates a 200 acre beef farm.

Jim Flynn the President of Victoria Haliburton Liberal Association who has served in this capacity for more than five years, has decided to resign as president of the association.

The annual meeting will commence at 3 p.m. as a business meeting and will be followed by cocktails at 5 p.m. at 6:30 there will be a dinner with the guest speaker. The day will end with a big dance after the dinner.

Everyone is invited, and if you want more information,

Halls Lake news

By Doreen Stinson

The Thanksgiving weekend was a busy one here at the Lake even though Saturday and Monday's weather was anything but pleasant. Sunday proved pleasant and many cottagers enjoyed a walk to see the colours. St. Stephen's church was filled to capacity.

We welcome our new Incumbent, the Rev. Douglas Brown, who took over the Parish of Minden the first Sunday in October.

Mrs Norma Davies is having a lovely new double-wide Glendale Home erected on the Hawk River

Rd. We trust she will be settled in before the snow flies again and that she will be happy here among her friends and neighbours. Mr Jerry Pinch has purchased Mrs Davies' former home farther around on the Hawk River Road and will be moving up from Toronto.

Mr. Albert Hart is away for a visit with his daughter Thelma in Etobicoke.

Mrs Mary Walker celebrated a well-advanced birthday Sunday and all her family but one son in the West, congregated at her home to wish her a Happy Birthday. We too wish her

many happy returns.

The hunters of this community met at Club 35 on Saturday to discuss their problems.

"Meet the Candidate Night" will be held on November 16 and the Elections on December 2 -- all at Club 35.

The next regular business meeting of the Club will be on Wednesday November 6. No Halloween Party this year as the members voted it down.

The English ladies visiting th Gartshores and Miss Marjorie Johnson over the past few weeks embarked a Plane at Malton yesterday to return to their homes in England. They were delightful and so appreciative of all the beauty of our country and the friendliness and hospitality of all whom they met.

Mr. and Mrs. William Leech have moved back to St. Thomas after having built a home here on the Lake. They found the winters a little difficult when their health failed and we trust they will enjoy being back among their own people in St. Thomas, but hope to see them next summer again.

Welcome to the Wrightman's who have moved to Hall's Lake from Minden. It is nice to see the big brown "Glenverdeen" all lit up at night at the south end of the Lake. They have made many improvements to the building and made it into a comfortable and attractive home.

Maple Lake news

Mr and Mrs James Cooper flew to Campbell River B.C. for a visit with the Coulter's recently.

Mrs Bud Howe called on Mr and Mrs W. Peck.

Mr and Mrs Bud Little's of Toronto have spent a week with Mr and Mrs Herbert Fountain.

St Peter's church supper was a great success many thanks to all who helped in any way to make it so.

Mr and Mrs Charlie Morrison spent the holiday weekend in Windsor with Relatives.

Mr and Mrs Cecil Morrison and two boys were at Bethynia Farm over the holiday.

It is many seasons since the Napeir Simpson's missed our church supper! See you next year.

Mrs Carrie Morrison visited friend in Oakville for a few days last week. The Jesseman's send greetings to all old friends and hope to spend a time in winter ski-dooing with us all.

The A.C.W. met in the

church basement and cleaned up from the supper.

It was like old home week, over the holiday. Maple Lake was beautiful with the coloured leaves, the hills were a sight and every cottage was alight.

A family supper Saturday evening was held at John Browns "formerly Lochhaven Lodge". For the family of the late B.J. and Florence Sawyer's also Mr and Mrs Bob Murphy of Galt, a longtime friends of the Sawyer family were guests.

A delicious supper was put on by Mrs Gertie Upton and served by Mrs Stanley Upton to the 14 guests who came from Toronto Galt, Hall's Lake, Minden, Eagle Lake, Maple Lake, and Haliburton.

This was the first time that the fourteen members had met at one time, in one place in 45 years.

"Congratulations Friends" Mrs Doris Cooper was host to the Gospel Ladies Guild on Wednesday last.

Wednesday bowling starts

President Laura Fagon, along with Eileen Pripps, secretary and Carol Titus, treasurer have put together a good Wednesday afternoon bowling league. Several new members have joined, and along with the regulars, are in for a good season.

Standings to date are: Bombers, 36 points, All Stars, 23 points, Jets, 19 points, Alley Cats 17 points,

Flyers, 16 points, Comets, 15 points.

Trapping Tales

A young friend, Murray Scott, asked me to go with him on a canoe trip through Algonquin Park to trace the footsteps of his grandfather. This was the occasion of our trip last summer.

One Sunday morning, after getting our permits at the Park gate, we motored to Big Boggy Creek which flows into Tim's Lake from the west. (When I used to travel through the Park there were no cut-out portages with signs on them, but then I was there for a different reason).

We paddled easterly about one and one-half miles into Tim's Lake. About 40 or 50 years ago, this was a good trapping ground. A Ranger's cabin stood on the north-western part of the lake then (and I often paddled across the lake after dark). We continued on down to the dam which was built a couple years ago. This was just built to hold water for canoers. We paddled on down to Roseberry Lake and had lunch on the north shore where Isaac Boice had a trapping cabin in the 1870's.

At the foot of the lake, we carried over into Pine River. At one time the pine was taken out and floated down this river and into the Ottawa River by the Petawawa waters. Then we portaged to Shaw Lake, and spent the night.

The next morning we carried over to We We Lake, and then over to Misty Lake. This used to be a very good trapping ground at one time. We looked for the remains of the old Ranger's cabin, but could not find it. We went on up to Wolf Lake where we stopped for lunch. Many old memories came back on the trip, and Murray never seemed to tire of listening to old trapping tales. This is the one I told him here:

"When we came through the bush to MacIntosh Lake, we saw a canoe out on the lake with two men in it. We stayed still and watched. They knew we were around. After awhile they paddled over close to us where we had two traps set. They walked up on the portage to Ink Lake where they could see back out over the lake. We went along the shore and got our traps that they were watching. Then we went over to their canoe, lifted their sleeping bags and napsacks out of their canoe and piled them neatly one on top of the other by a tree. Thanks for the use of the canoe, Mr. Rangers, we were on our way once again."

To get back to the story: Murray and I spent Monday night on an island on

MacIntosh Lake. There was only one squirrel in that part of the Park, and he got away with part of our bread.

On Tuesday, we set out for Grasse Bay in White Trout Lake, and spent the night on an island in White Trout. On Wednesday we continued on to Otter Slides where we camped that night. On Thursday morning we went to cook our bacon, but saw where a coon had made off with it. This was the second animal that we saw in the Park. We packed up and went on to the foot of Joe Lake where we spent Thursday night. We were south of the abandoned railway where a summer hotel once stood. There used to be a Ranger's cabin on the East side.

On Friday morning we got up, told a few more stories, and went up to see the old cemetery, then on to the boat livery where we were met.

Many of the old timers of Haliburton County hunted and trapped in the Park illegally. Sure it was against the law, but taking the risk of being caught was better than starving. It was a constant cat and mouse game with the Rangers who were doing their job. The food and furs which men took out were never wasted and there was plenty left. But during this week, we saw no sign of deer or moose. We saw only one bear track, but there were many, many wolf tracks. We saw very few signs of any kind of game; yet, there is no trapping or hunting now. On the other hand, there is plenty of game on the property of Haliburton Forest and Wild Life where it is heavily trapped and hunted. Murray and I were asked many times "Where is the wild life?" We didn't know the answer.

of which all Electors are hereby required to take notice and govern themselves accordingly, and further take notice that the manner in which said nominations shall be filed is set forth in section 34 of The Municipal Elections Act which provides that:

How nominated

34. - (1) A person may be nominated as a candidate for an office by filing in the office of the clerk, during the normal office hours of the clerk within the period in which nominations may be filed, a nomination paper in prescribed form which:

- (a) shall be signed by at least ten electors whose names are entered in the polling lists of electors entitled to vote in an election to such office;
- (b) shall state the name, occupation and address of the person nominated in such manner as will identify him and the office for which he is nominated; and
- (c) shall state the name and address of each elector signing the nomination paper and, where the office for which the person is nominated is a member of a school board, that such nominator is a public school elector or a separate school elector, as the fact is. 1974, s.20(1).

Consent and declaration to be filed

(2) No nomination is valid unless there is filed with the nomination paper a consent in writing to the nomination and a declaration of qualification in the prescribed form by the person nominated.

Public school nominators

(3) A nomination paper nominating a person for an office the holder of which is required to be elected by public school electors shall be signed by public school electors only. 1974, s.20(2).

Separate school nominators

(4) A nomination paper nominating a person for an office the holder of which is required to be elected by separate school electors shall be signed by separate school electors only. 1974, s.20(3).

Separate nomination papers

(5) Each candidate for election to an office shall be nominated by a separate nomination paper, but an elector may sign the nomination papers of different candidates.

Clerk to keep nomination paper

(6) After a nomination paper is filed with the clerk it shall remain in the possession of the clerk.

Onus on person nominated

(7) The onus is on the person nominated for election to an office to file a bona fide nomination paper.

If a greater number of candidates than required to fill the said offices, are nominated and make the required declarations, notice of the time for the holding of the poll, including the advance poll and notice of the last day for making applications for a certificate to vote by proxy will be given forthwith.

Given under my hand this 24th day of October 1974.

How many energy leaks are there in your home?

At one drop per second, a dripping hot water tap can waste about 175 gallons of hot water each month. The electricity required to heat that water would keep a 60-watt bulb burning continuously.

Poor insulation...a faulty heating system...inefficient use of appliances...all cause energy leaks in the home. This can increase the cost of running a home—and waste Canada's precious energy resources.

It makes good sense to use electricity and all forms of energy wisely. And that includes stopping those energy leaks.

Council of Anson, Hindon and Minden meet

The Eighteenth Meeting of the Council of the Townships of Anson, Hindon and Minden was held in the Council Chambers of the Municipal Building on Wednesday, October 9, 1974 commencing at 9:00 a.m.

Present: Reeve Reg Booth in the Chair, Deputy Reeve Doug Pritchard, Councillors S. Brandon, A. Coneybeare, Richard Parisotto, Clerk-Administrator, J. Earl Hewitt, Road Superintendent, Richard C. Schell, By-law Officer

D. Pritchard-S. Brandon That the minutes of the meeting of September 25, 1974 be approved. Carried.

Letter was received from Y. Beaucage requesting permission to leave a booth erected on the R. McBrien property during the winter. As the booth was originally granted for summer use only the applicant was advised that the request would be contrary to by-law.

Letter was received from Mr. George Empey, President of the Big Bob Lake Cottagers' Association regarding future lot development. The correspondent is to be assured that any lots developed in any Municipality will comply strictly with the by-laws.

Mr W.M. Jackson, President of the County Fire Mutual Aid Association and Deputy Fire Chief for the Municipality was present requesting assistance for the Annual Social of the Association to be held in Minden.

A Coneybeare-D. Pritchard That the Minden Fire Department be granted \$300.00 to host the County Mutual Aid Annual Social. Carried.

S. Brandon-D. Pritchard That a Special Committee be established composed of the Fire Chief, Deputy Chief, Reeve, Clerk, and Dept. Representative on Council to prepare a 5 year plan and forecast for the Minden Fire Department. Carried.

Letter was received from Mrs Blanche Cryderman requesting to be exempted from certain by-laws. The applicant is to be advised that the by-laws must be adhered to without exception.

Letter was received from E. Wagg requesting permission to construct a closed-in screened addition. The applicant is to be advised that the project would be contrary to the By-laws.

An application for severance by Mr. C. McDonald was presented. Upon review of the proposal the severance was granted.

Mr A. Stevens and Mrs D. Stevens were present regarding the proposed renovations of an existing building on the Beaverbrook Golf Course. The matter was settled to the satisfaction of Council.

Mr. E. Pergolas was present requesting that a ditch on North Water Street be filled as it is more of a detriment than an asset. It was decided that the drainage area be improved by the Road Superintendent at the earliest date.

Letter was received from Mr. E.R. Freer regarding a drainage problem in Lot 10, Concession 10, Minden Township. The applicant is to be advised that the area in question is a natural drainage course, but the Road Superintendent will review the problem.

S. Brandon-A. Coneybeare That the Accounts be approved in the following amounts:

General	\$16,658.73
Water	37.96

Carried.

A. Coneybeare-D. Pritchard That the Road Accounts be approved in the amount of \$10,222.62. Carried.

Mrs Kunkel was present regarding the use of a former restaurant for dwelling purposes. The applicant is to be advised that such use is contrary to the by-law and the present tenants must vacate at the earliest date.

Mr and Mrs Clyde were present regarding proposals for the construction of a dwelling and accessory buildings. The by-law and procedures were explained

to the applicants.

S. Brandon-D. Pritchard That Bernard Trepanier be appointed to the Minden Committee of Adjustment for the balance of the term of Mr George Finley, such term expiring January 1, 1976. Carried.

D. Pritchard-A. Coneybeare That Application #74-67 under Section 636(A) of the Municipal Act be approved in the amount of \$84.47. Carried.

Letter was received from Mrs M. Mitchell requesting a temporary waterline.

S. Brandon-A. Coneybeare That permission be granted to Mrs M. Mitchell to install a temporary connection to the water system through private property from South Water Street to Highway #35. It is further understood the connection will be removed when a Municipal line is installed to serve the property in question directly. The actual cost for the connection and normal consumption charges will be borne by the applicant. All property easement arrangements to be made by the applicant to the satisfaction of the Municipality.

A. Coneybeare-S. Brandon That By-law 74-34 having been read a first time, be considered as read a second and third time and passed.

Being a by-law to authorize the sale of land acquired by tax registration. Carried.

SCHEDULE A

to the foregoing appointment

for hearing application

At the request of the Council of the Township of Dysart et al the Ministry of the Environment has investigated the possibility of extending the sanitary sewers within the Community of Haliburton. It is now proposed to construct such works at an estimated cost of \$1,167,000 of which an estimated \$875,000 or 75 per cent will be provided by the Province of Ontario as a financial subsidy. For services provided from these works, it is proposed to impose an estimated service rate of 104.3 cents per 1,000 gallons of sewage accepted from the municipality, together with frontage rates, connection charges, and a mill rate as set forth in the third paragraph hereof.

The project will consist of the following works initially:

The installation of sanitary sewers to be constructed as follows:

ON	FROM	TO
York Street	Maple Avenue	Highland Street
Victoria Street	250' west of Maple Ave.	550' east of Pine Ave.
Northerly fork of Victoria St.	320' east of Pine Ave.	970' easterly
Easement through Rotary Park	Victoria Street	Park Street
Park Street	570' east of Maple Ave.	Eastern Avenue
George Street	Pine Street	Spruce Avenue
Easement between George St. and Highland St.	Pine Street	Eastern Avenue
Harburn Rd. extension	Park Street	180' north of Park Street
Maple Avenue	York Street	Sunnyside St.
Maple Avenue	Mountain Street	300' South
Sunnyside St.	Maple Ave.	500' west of Maple Ave
Riverside Drive	Highland St.	Eastern Ave.
Pine St. Extension	Highland St.	Victoria St.
Mountain Street	Lake Avenue	220' east of Cedar Ave.
Cedar Ave.	Highland St.	Mountain St.
Lake Avenue	Highland St.	South Street
Easement south of Highland Street	Riverside Drive	Spruce Ave.

together with sewers from the main sewers to the lot lines, and a sewage pumping station.

For provision of service from these works, it is proposed to raise the necessary annual revenue as follows: a frontage sewage rate of 40 cents per foot per annum on all lands which front on or abut on or connect to the sewers described above, a connection charge of \$32.71 per annum on owners or occupants of lands for which a sewage service connection to the sewers is provided, a 2 mill rate levy over the whole Township and a flat rate of \$81.28 per annum on domestic users of the system and a flat rate for other users in accordance with the following scale:

EQUIVALENT DOMESTIC UNITS	
A. Stores, Shops, Banks and Offices	
(i) with 4 employees or less	1
(ii) with 5 to 8 employees	1.5
(iii) with more than 8 employees	2
(iv) offices in private residences, having separate plumbing fixtures	1
B. (i) Churches and other non-profit organizations whose premises are not normally made available for public hire	
(ii) Non-profit organizations whose premises are made available for public hire	2
C. Garages and Service Stations	
(i) where vehicle washing is done - 4 employees or less	2
(ii) where vehicle washing is done - 4 employees or more	2.5
(iii) where vehicle washing is not carried out	1.5
(iv) automatic car wash	5
D. Restaurants, Lunch Counters,	

Soda Fountains	2
E. Barber Shops	1
F. Beauty Parlours	2
G. Pool Rooms, Bowling Alleys	1.5
H. Skating Rinks, Curling Rinks	1.5
I. Canadian Legion	3
J. Hotels, Motels, Per room	0.5
K. Laundries or Coinwash Facilities	2 units for every washer
L. Schools - an amount equal to the actual sewage service rate charged to the Township of Dysart et al by the Ministry of the Environment (estimated at 119.9 cents per 1,000 gallons initially) multiplied by 12 times the maximum monthly sewage volume contributed to the sewer system by the school.	
M. Apartments & Multiple Dwelling Units - each dwelling unit in an apartment, duplex, or other multiple family dwelling shall be considered as a domestic user and shall be charged the domestic sewage rate.	
N. Hospitals	2 units per bed
O. Arena	6
P. Other	Negotiated

In computing the frontage charges, provision shall be made for the exemption or partial exemption from a foot frontage rate and for the determination of such exemption or partial exemption in the following manner:

(a) A reduction in the case of corner lots at the junction or intersection of streets of 100 per cent of the flankage and a reduction or increase in the case of triangular or irregularly-shaped lots may be made in the foot frontage rate that otherwise would chargeable thereon, sufficient, having regard to the situation, value and superficial area of such lots as compared with other lots, to adjust its frontage charge on a fair and equitable basis.

(b) Where a lot is for any reason wholly or in part unfit for building purposes, a reduction may be made in the foot frontage rate that otherwise would be chargeable thereon sufficient to adjust its frontage charge as compared with that of lots fit for building purposes on a fair and equitable basis.

(c) Where a lot, other than a corner lot, has two limits that abut on streets described above and the size and nature of the lot is such that any or all of the works in such streets are not required, a reduction in respect of the works that are not required, so long as they are not required, may also be made in the foot frontage rate that would otherwise be chargeable thereon, sufficient to adjust its frontage charge on a fair and equitable basis.

(d) In the case of lots that because of the nature of the terrain or the elevation of the sewer, do not derive the same benefit as other lands abutting on the sewer, a reduction may be made in the foot frontage rate which otherwise would be chargeable thereon, sufficient having regard to the benefit derived as compared with other lots, to adjust the foot frontage rate on a fair and equitable basis.

(e) The reduction shall be made by deducting from the total frontage of the lot liable to the annual foot frontage rate so much thereof as is sufficient to make the proper reduction, but the whole of the lot shall be charged with the annual foot frontage charge as so reduced.

On the basis of these levies a home with an assessment of \$600 and having a frontage of 66 feet would pay the following amounts annually after connection has been made to the proposed sewage works:

66 foot frontage at 40 cents	\$26.40
Connection Charge	32.71

Mrs Irvine Winn of Capreol spent the weekend visiting her sister-in-law Mrs Mildren Wood and other relatives here.

Mrs Horsley of "Hyland Crest" Home spent one day with her daughter Mrs Alice Barnum and granddaughter Capt. Betty Barnum recently.

Mr and Mrs Elwin entertained S.A. Capt. Betty Barnum and mother Mrs Alice Barnum also Miss Joyce Williams and Mr Doug Kenning one evening recently. After dinner Elwin showed his slides of England. Capt. Betty Barnum leaves shortly to take training at Mother's Hospital (Salvation Army) Lower Clapton Road, London, Eng. before leaving for Malaysia in the Autumn of 1975. Mr Kenning was Betty's principal and Mrs Robertson her Gr. II teacher while attending Victoria School. Miss Joyce Williams was her English teacher in Haliburton High School.

Mrs Flora Walling spent the holiday weekend with her daughter and family Mr and Mrs Trevor Babbs and Tommy at their Summer cottage on Lake Kashagawigamog.

Mr and Mrs Reid Weldon of Stouffville were weekend guests of Reid's parents Mr and Mrs Lloyd Weldon. We understand Elwin

Robertson is having his cottage rewired and other repairs made this week. Last August 26, the cottage was struck by lightning during a severe electrical storm. The Robertsons were occupying it and received minor injuries and the building has to have extensive repairs to make it liveable. A sleeping cabin was a complete write-off.

Mr and Mrs Rod Sproats took their son Craig to Hamilton where he is attending McMaster University, and visited relatives in Mississauga. Craig was home for several days on business.

Miss Audrey Coulson of Toronto spent the weekend with the Harold Elstones at Lakeview Lodge.

Mr and Mrs Vince Conaghan and Danny arrived home after a delightful trip visiting relatives in Calgary. They travelled the American route on the way out and returned by the all Canadian route home stopping to visit Don and Daren Dunsmore in Winnipeg.

Mr and Mrs Leslie Roberts visited their son Miles who is in Scarborough General Hospital at Lawrence and McGowen, Scarborough on Friday. Miles was hospitalized as a result of a serious motor car accident.

Dr and Mrs Powers of Thamesford spent Thanksgiving with the Jack Mackays.

Mr and Mrs Mike Tuner and Miss Rosemary Elstone all of Toronto spent Thanksgiving with their parents Mr and Mrs Harold Elstone.

Mrs Cliff Kellett spent Thanksgiving with her husband Cliff who is a patient at Sunnybrook Hospital Toronto, recovering from a recent stroke.

Mr George Thayer of Queen's University spent the holiday with his parents

Mr and Mrs Harold Thayer. Miss Kathy Bannon is visiting her aunt in Thunder Bay and then will go on to visit friends in Winnipeg, Man.

Mr and Mrs Russ Dart spent Thanksgiving weekend with Mr and Mrs Bob Dart in Willowdale.

Mr and Mrs Leonard C Dart were in Haliburton last weekend with Mr and Mrs Russ Dart.

Mrs Gordon Griffin who is a patient at the Pinecrest Nursing Home in Bobcaygeon spent the weekend at her home here.

Home Care Hints

PREVENTING HEAT LOSS

A properly insulated home can reduce heat loss and thus save considerably on fuel consumption during winter while keeping the home cooler in summer.

The installation of storm windows and doors helps to prevent heat leakage. Use caulking compound around door and window frames.

Use weather stripping around doors and certain types of windows. When fireplace is not in use, damper should be closed.

If the garage is part of the house be sure to keep the door closed.

Keep radiators or registers clean and be sure they are not covered or blocked.

If there is a crawl space beneath the house, be sure the vents are closed during the winter.

Insulate basement walls.

Don't fool around with the thermostat.

Consult us for expert home care help.

At Last. A Home Sewage Treatment System that:

- ☒ Meets all Government regulatory requirements.
- ☒ Can be used on new lots, or to replace inefficient systems that do not meet existing Government requirements.
- ☒ Accommodates the household waste water discharge of up to ten people per day.
- ☒ Is completely automatic and guaranteed for ten full years.
- ☒ Can often be installed in an area as small as One-fifth the size of a septic tank system.
- ☒ Can be approved for subdivisions and towns, villages or hamlets without municipal sewage treatment systems.

Aquarobic®. The first and only factory-built home sewage treatment system to obtain full approval of The Ontario Ministry of The Environment.

This revolutionary new alternative to the septic tank has been designed and developed over five years and has won its spurs in rigid field tests conducted by the Ontario Research Foundation. Aquarobic is manufactured by Waltec Industries Limited, a 70 year old, all-Canadian Company that stands behind every product it sells. Because Aquarobic is factory-built and Government-accepted, Waltec can and

will obtain the necessary approval for - installation on your behalf at your home or cottage site.

If you have any problem with lot-size, terrain or soil conditions, you owe it to yourself to find out about Aquarobic.

Gems of Truth

The term "church membership" can mean different things to different people, it all depends upon the branch of the professing church to which they adhere. Some groups ask little more from their members than consent to their creed and observance of its ritual. As long as such members are obedient to the higher officials their conduct is not seriously questioned and since they acknowledge certain spiritual leaders their eternal security is guaranteed. Such members are not too interested in Bible study or evangelism apart from what can be drawn into the same fold. Then there are those to whom church membership means a public confession of Jesus as a personal Saviour to them and an Eternal union with Him.

ship in the Church means joining a visible organization or group. They have not been informed about the meaning of church membership as it is taught in the New Testament. They know very little or nothing of the Church being the Body of Christ and indwelt by the Holy Spirit and thus be the true Church. Neither have they been told that it is possible to be a member of the local church and yet not be a member of the Church of Christ, nor that one can be a member of the Church of Christ although no connection is made with any visible group.

The true Church which Christ said He would build Matthew 16:18 and the church which was purchased by His Blood (Acts 20:28, Ephesians 5:25, Hebrews 8:12) the Church of which

Christ is the Head and we are members of His Body (Ephesians 1:22) and the Church of which He said "The gates of hell shall not prevail against it (Matthew 16:18) is the Church all people should be concerned about.

To become a member of the true Church, one must believe on the Lord Jesus Christ and accept Him as personal Saviour and Lord. Only those who have been Holy Spirit taught of their dire need of this Saviour can truly believe on Him. To

believe on Him is putting complete trust in Him to do what He said He will do. Jesus forgives sinners and makes such His children and sets them apart for His own and is well able to keep them. No other person can come between us and Him, mediating salvation to us. He is Saviour and Priest to the Church (Hebrews 3:17, 4:14-16). Such are truly born again and there is no other way of becoming a member of His Body, which is His Church.

SCRIPTURE MEDITATION: "Now ye are the Body of Christ and members in particular". 1 Corinthians 12:27.

**Everything you want from dog food,
you get from Shur-Gain. Good nutrition.
Good taste. Good price.**

Take maximum levels of beefy meat consistent with good nutrition. Add the best cereal products. Then wrap it up in economical 25 and 50 lb. packs. What do you get? Shur-Gain dog food in pellets or bite size kibbles, with natural beef flavour.

Dogs take to Shur-Gain immediately. They love the taste. Breeders and trainers take to Shur-Gain for other reasons. They know Shur-Gain needs no additional supplements because it contains all the

nutrients needed for optimum growth and development. They also like the conditioning Shur-Gain can give their dogs and its extra benefits such as lustrous coats, and firmer stools.

So, put all benefits of Shur-Gain dog food together. It makes quite a package. The nice thing is the package is available to you at leading pet shops and Shur-Gain Feed Service dealers everywhere. Try it. You'll all like it.
